Fusion is a quarterly event for Tech passionate people in the West Midlands. The event is held in Birmingham City Centre with a focus on engaging, thought provoking talks in a relaxed sociable environment. We work closely with some of Birmingham's best street food vendors to bring the flavour to each event with a side order of those famous Fusion cupcakes!

The event has been running since 2014 and over the years we have had some engaging and insightful talks from the likes of Microsoft, Google, ASOS and Monzo. We pride ourselves on creating a platform for the local community to showcase professionals, hobbyists and employers within tech.

We have around 120 people attend each Fusion event along with live viewers on our You Tube channel. Our audience is mainly made up of Software Engineers or those working within a Software team.

We're passionate about creating an inclusive and supportive environment at our meet-up events and the workshops, so we always offer both discounted and free tickets to underrepresented groups, or those who wouldn't necessarily be able to afford some of the higher workshop ticket prices. This wouldn't be possible without the help of our sponsors.

Fusion sponsorship is crucial to ensure we can keep delivering great events and creating a space for innovation, ideas and discussion within our community. As Fusion sponsor, you can expect to be welcomed into a safe space where you will immediately become a part of the family. You will have opportunities to meet our attendees, to share your story, to offer learning and growth opportunities and be a part of something really exciting.

Headline

Our Headline tier is less one-size-fits-all, and more about your ideas!

We'd love to help you connect with the community in a meaningful way that suits you – we'll work with you to find ways to make this possible.

Customise

All sponsorship tiers are flexible to adapt to different requirements and budgets.

Let us know if you'd like any tweaks and we can build that into your sponsorship package.
